

Suckley Parish Council

Year end Accounts 2025/2026 AGAR

Section 1 – Annual Governance Statement 2025/2026

Number 5:- Although the parish council considers risks financial facing the authority at every parish council meeting (including the need for external insurance as required) and these documented within the councils minutes. The Authority does not hold a risk register or risk schedule.

Number 6:- The Authority has implemented a monthly check of is financials:- budget v act and bank reconciliation with bank statements provided at every parish council meeting and these checked by a parish councillor and the chairman. However, no appointment of anyone independent.

Number 10:- The Authority has been using Worcestershire County Councils e-services website as their main platform. This platform has become outdated. Whilst the Authority is in the early stages of the implementation of its new website and new email address to ensure compliance with the new accessibility standards (WCAG 2.2 AAA) the Authority's new website will only become available later this year.
